Dull headache, pains in various parts of the body, sinking at the pit of the stomach, loss of appetite, feverishness, pimples or sores are all positive evidence of impure blood. No matter how it becomes so it must be purified in order to obtain good health. Acker's Blood Elixir has never failed to cure Scrofulous or Syphilitic poisons or any other blood diseases. It is certainly a wonderful remedy and we sell every bottle on a positive guarantee. Sold by J. S. Williams & Co.

Alfred Paul returned yesterday, after a trip of some weeks into Mexico, during which he had some exciting and interesting experiences, but his extreme modesty and desire to avoid notoriety, caused him to ask that the trip be not written up in the Orb. However, we would suggest that since a full knowledge of the facts could in no wise be construed to the discredit of Mr. Paul, who is one of the best known and most popular of our young men, details may be had at the Hard Luck office of Dan Hankins.

To Whom It May Concern.

The Shannon Mine.

The widely published report that the Shannon and Hughes copper properties near Clifton, had recently been sold by Charles M. Shannon, internal revenue collector for Arizona and New Mexico under the last Democratic administration, proves incorrect. From recent private advices we learn that only a provisional sale has been made pending further development of the property and the price agreed upon is considerably less than half a million dollars, although if the property was more advantageously situated that price could not be considered at all excessive. The terms of the agreement referred to provide for a very considerable payment in six months and the balance in one year. Meanwhile the proposed purchasers are to do development work on a somewhat extensive scale, any ore thus extracted to remain on the mine till the termination of the agreement. The parties contemplating the purchase are mining men controlling unlimited capital, and from the past history of the Shannon mine, as well as that of the Metcalf group adjoining it and being worked on a very large scale by the Arizona Copper company, it would appear that the sale is reasonably assured.

Spain's Greatest Need.

Mr. R. P. Olivia, of Barcelona, Spain, spends his winters at Aiken S. C. Weak nerves had caused severe pains in the back of his head. On using Electric Bitters America's greatest Blood and Nerve Remedy, all pain soon left him. He says this grand medicine is what his country needs. All America knows that it cures liver and kidney trouble, purifies the blood, tones up the stomach, strengthens the nerves, puts vim, vigor and new life into every muscle, nerve and organ of the body. If weak, tired or ailing you need it. Every bottle guaranteed, only 50 cents. Sold by Bisbee Drug Store and Copper Queen Store.

The yacht race, the first of the series, between the Shamrock and the Columbia, doubles occurred today, but advices of the result failed to reach us in time for publication today. It will be remembered that on Tuesday the wind, or rather the absence of it, proved so unfavorable that the first race was postponed till today. From the attempt made on Tuesday it is judged by experts that it is a toss up between the two yachts.

Fred Myers has been appointed labor commissioner of California. For many years Mr. Myers has been chairman of the general grievance committee of the Brotherhood of Locomotive Engineers for the Southern Pacific. He resigned this position to take the commissionership. John Landon has been selected to take his place as chairman of the grievance committee. Mr. Landon has been running an engine on this division for many years.—Lordsburg Liberal.

Because of the lateness of the hour at which the copy reached this office, the publication of the articles of incorporation of the Eastern Sunday M. & M. Co. could not appear today. It will appear tomorrow, and probably before the end of the week the Orb will publish the articles of incorporation of two additional mining companies, located here, the organization of which is about perfected.

Monday, at El Paso, while coupling one of the soldier trains, brakeman B. S. Winton was pinched between the cars. He was taken to the Hotel Dieu, and about 10 o'clock that night died from the effect of the injury. Mr. Winton was well known in Lordsburg, and well liked, as a quiet and hard working citizen. He was a native of Bennington, New York, about thirty-five years old, and married.—Liberal.

The Ray company has commenced the survey and grading for their railroad from their mines at Mineral creek to the old smelter site on the river, where they propose to erect large reduction works, says the Florence Tribune. From this point they propose to push forward to some point on the Southern Pacific. This means much for Pinal county. The company own some of the best mines in the territory.
